# Government Schemes in India & Tamil Nadu

A practical reference document covering major schemes, eligibility, benefits and application guidance. Prepared for educational use and as a reference for a Government Scheme Information / RAG Chatbot.

## Important Note

Scheme eligibility, benefits, income limits, deadlines and application procedures can change. Always verify the latest details on the official government portal before applying. This document is a concise reference, not an official government notification.

## How to Check Eligibility

• Check the scheme's official portal and read the latest eligibility conditions.

• Confirm age, residence/state, income, category, occupation, education or other applicable criteria.

• Check whether Aadhaar, bank account, mobile number, income certificate, community certificate, study certificate or other documents are required.

• Apply only through the official portal, authorised department, bank, school/college, or government service centre specified for the scheme.

• Save the application/reference number and check application status through the official channel.

## Common Documents That May Be Required

• Aadhaar or another accepted identity document

• Mobile number

• Bank account details / passbook

• Address or residence proof

• Income certificate, where applicable

• Community certificate, where applicable

• Education/study certificate for student schemes

• Occupation or vendor/artisan/farmer-related documents, where applicable

• Passport-size photograph and other scheme-specific documents
